

FCCT Responsibilities 2019-2020

- We understand the commitment that we are making as an athlete & family to the coaches, staff and other FCCT team members.
- We will participate for the ENTIRE YEAR from Team Placements (JV & Varsity)/Registration (Mini, Pee Wee, Elementary and Middle School) in 2019 until after our final competition in February 2020.
- We will have **good sportsmanship** and show respect to our fellow teammates, coaches, staff, parents and other competitors.
- We agree to **set a good example** and have a good attitude.
- We understand that athletes will miss school to attend UCA Nationals and that all missed work is the athlete's responsibility (JV & Varsity only).
- We understand that athletes are **required** to attend all competitions and we promise to arrive **on time.**
- We understand that by having unexcused absences from practices or competitions, we can be placed as an alternate, in a non-essential position, or dismissed from the team.
- I understand that I will have consequences for not abiding by team rules and expectations. Serious violations that occur out of town will result in sending me home at my parent's expense.
- I will abide by the MSHSL Chemical Eligibility rules and penalties. A violation will result in suspension for two weeks or two competitions, whichever is greater, and loss of lettering privileges.
- If for some reason, circumstances occur which require our withdrawal from the program, or we are removed from the program, **we understand there are no refunds of fees or competition expenses.**
