Farmington Competition Cheer Teams Booster Club

The Booster Club coordinates a number of fundraisers throughout the season (both group and individual) in an effort to keep costs down for our athletes. The 2020-2021 season was not a normal season, but we are confident that we will have increasing opportunities for both group and individual fundraising in the future as things begin to open back up. The Booster club has contributed over \$20K in the past few years to our athletes. Our athletes have had many individual opportunities that have allowed them to earn thousands of dollars for their individual fundraising accounts. In order for the Booster Club to be successful and able to effectively support our athletes and coaches we need increased participation in membership and volunteer commitments. Therefore we are implementing a few changes to membership requirements and volunteer/participation commitments for all athletes/families on Elementary, Middle School, Junior Varsity and Varsity Teams.

NEW Starting 2021-2022 season a booster club membership will be required for families who would like to have individual fundraising accounts. This will not effect any funds you currently have in your individual fundraising accounts and you will still be able to use them when you would like.

Effective June 1, 2021, any individual fundraisers you choose to participate in will go into the general FCCT Booster Club account if you do not have a paid booster club membership. There are a lot of behind the scenes activities that need to happen to offer individual fundraising opportunities/accounts and we can no longer do this without a commitment from our athletes and families who use these opportunities. All athletes benefit from the group fundraisers, whether through booster contributions to Nationals/Wow Factor expenses, uniform/apparel fees, summer camps contributions, coach/team training opportunities , etc. Your booster club membership fee goes right into the general fund and helps us with upfront costs to host events and administrative fees.

Booster Club Membership Per Household: Membership is \$30 per year. Membership year runs from May-April. Memberships can be purchased here:

<https://fcct-booster-club.square.site>

To ensure families fulfill their commitments, a "volunteer deposit" will be required to be submitted to the Booster Club before their first camp for Varsity/JV/Middle School athletes and by their first practice for all other teams. By December 15, if families have met their commitment, your check will be shredded or returned. If the commitment is not fulfilled by this date or you elect not to volunteer, the check will be cashed and deposited into the Booster Club General Fund. If you have multiple athletes in the program, only one deposit per family is required and 2 additional hours of volunteer time will be added for each additional athlete. Deposit amount and hours will be that of the highest level team you have athletes on.

The volunteer requirements and deposits* are as follows:

- Elementary: \$50 deposit; Minimum 2 hours of volunteer time
- Middle School: \$100 deposit; Minimum 4 hours of volunteer time
- JV and Varsity: \$300 deposit; Minimum 12 hours of volunteer time

*Please reach out to the board if your family has extenuating circumstances for which this would cause financial hardship. We will try to work with you to make alternate arrangements.

Farmington Competition Cheer Teams Booster Club

Volunteer hours can be earned at various Booster Club fundraisers, activities and events. Some examples include:

- Plant, pizza, fudge sorting and distribution (May/June/September/November)
- Dew Days (Aug)
- TC Sumer Jam at Canterbury Park (July-tentative not confirmed)
- Elko Speedway (Parents Only, athletes are individual fundraisers)
- Uniform/Apparel Night (July)
- Fall Competition
- Homecoming Events
- Breakfast Fundraisers
- Bingo

Individual fundraisers do not count towards filling volunteer hours. Anyone in the family can fulfill volunteer hours. All families will be required to help with the fall competition. Online volunteer sign-ups will be sent prior to events. Volunteer hour requirements may be reduced with board approval if fundraising opportunities are limited or other unforeseen events occur. Please reach out via email fcctboosterclub@gmail.com with any questions you may have.

Lastly a note from one of our corporate sponsors, East Valley Chiropractic. Please take a moment to read and watch the short video. Thank You!

Hello Farmington Competitive Cheer Community,

East Valley Chiropractic is thrilled to be sponsoring your cheer teams again this season. We like supporting student athletes to keep them healthy and playing a full season. Dr. Ty has created a short video sharing the top problems he sees with cheerleaders in our clinic.

You can watch the video here:
<https://youtu.be/YXGCrrQWp-I>

As part of your team sponsorship, we want to be a resource to you. That's why we are offering a complimentary functional movement screening and exam for all athletes and their immediate families.

To schedule your complimentary Functional Movement Screen and consultation, [go here](#) or call 952-423-5050.

*Please reach out to the board if your family has extenuating circumstances for which this would cause financial hardship. We will try to work with you to make alternate arrangements.
