Uniform Update:

1. Voting for new uniform feedback:
 - a. Varsity families voted unanimously for new uniforms
 - b. JV families vote still pending
2. Plan would be to order now. They need 8 weeks to process. Half of the fee would be due upfront and the remainder in 30 days.
3. Additional emails will be sent out to families soon

Our Competition:

1. **Save the date: Saturday 10/10/20**
2. Great news – the school will not be charging us rent this year as it is a fundraiser for our program. This would save us \$1000. We would still need to pay the custodian costs of \$50 per hour.
3. A COVID plan will be required
4. We have a list of vendors from our last competition and will reach out them for potential vendors for this year.

Sponsorship Program

1. Our local sponsors may be struggling. We will re-evaluate our requirements. Proposed donate what you can instead of a minimum, change amount for discounted rates for booths at our competition, and include all sponsors on our sponsor shirts.
2. We will also work on clarifying the length and timeframe of a sponsorship. Should it run August to July or the school year?
3. We will update our sponsorship brochure to reflect these changes.
4. We would like to order sponsor t-shirts for all cheerleaders again this year. We could use the donation from the Eagles to cover the cost and Town Sports can make them for us.
5. Interested sponsors – Josh Hoyt from Veteran Home Design and Dr. McCabe from Advanced Oral Surgery.

Fundraising

1. Upcoming Opportunities:

- a. Heggies Pizza fundraiser will start tomorrow and be due on 7/8/20 giving families approximately 2 weeks to collect orders. There is a reduced menu of 6 options. Pizzas will be delivered on 7/22/20.
